

Revision Program (November 20- January 05)

For the benefit of the year1 students a revision program and repeat final exams for the following subjects will be offered:

MA1302 Engineering Mathematics I, MA1312 Engineering Mathematics II, EL1201 English Language Skills I, and EL1211 English Language Skills II.

Year1 students who did not pass any of the above modules are encouraged to participate in this program. (Any students who are on training, are not allowed for this program.)

Revision program schedule is given below.

Nov 20-Dec 15	Monday E101	Wednesday E101
09:00-12:30	Engineering Mathematics I	English Language Skills I
12:30-1:00		
1:00-4:30	Engineering Mathematics II	English Language Skills II

In order to sit for the final exam students are expected to participate in all the sessions conducted for the respective module.

Eligible students should register for the final exam during the period **December 18-29**.

Final exams will be offered during **January 02-05**. The final exam will be similar to the one offered in the regular semester in terms of content, difficulty level, and grading criteria.
