6. Confirm your selection and click 'Continue'.

The screenshot shows the Curtin University eApplication interface. At the top, there is a navigation bar with the Curtin University logo and the text 'eApplication'. Below the navigation bar, there is a progress indicator with five steps: 1. Check, 2. Select, 3. Apply, 4. Submit, and 5. Complete. The 'Continue' button is highlighted in blue. Below the progress indicator, there is a message box that says: 'Check that your course selection details are correct, then click Continue. You will be able to save your application and come back to it. Need more help? View the Course Selection Confirmation help.' Below this message box, there is a table titled 'Courses' with the following data:

Study Package Category	Course / Unit	Year	Study Period	Location	Load Category	Attendance Mode	Study Mode	Liability Category
Bachelor Honours Degree	BH-ENGR Bachelor of Engineering (Honours)	2016	Semester 1	Sri Lanka Inst Info Tech	Full Time	Internal	Normal	Partner Offshore

At the bottom of the page, there are 'Back' and 'Continue' buttons. The page is powered by TechnologyOne and has a CRICOS Provider Code 00301J.

7. If you upload a file or use the floating 'Save' button on the page, you will receive the following message, which confirms an application has been created on the system for you. If you start an application and for whatever reason need to exit and return to it later, you can continue on with incomplete applications by logging into your OASIS account (instructions are indicated on page 4, under #2). At this stage your application has not been submitted, it must be submitted in order to be assessed.

Your application has been saved but has not yet been submitted for assessment. You can exit at any time by selecting the 'View all my applications' button below, or the 'Logout' link above. Please note if you do not submit this application, it will not be considered if the closing date for the study period has lapsed.

8. Answer all application requirements and upload the appropriate attachments into each question.

The screenshot shows the 'Passport' section of the application form. It includes a heading 'Passport' and a sub-heading 'Supporting Documentation'. Below the heading, there is a message that says: 'Please upload a colour scanned copy of your passport.' Below this message, there is a question mark icon and the text: 'You need to provide all documents listed below.' Below this message, there is a note that says: 'Please upload a copy of your passport. This must be a copy of the original document or, for international students only, this may be a certified copy from a registered agent of Curtin University. Note: This document requirement is a mandatory requirement and must be completed before you can submit your application.' Below the note, there is a table titled 'Document Attachments' with the following data:

File/Note Attachment	Comment	Date	Action
test.docx		29-Sep-2015	Delete

Below the table, there is a link that says 'Upload a new file ...'.

9. Once you have answered and uploaded all your files, click 'Save & Continue' to confirm your application details and scroll to the bottom to agree to the terms and conditions. Click 'Submit Application' to submit your application.

The screenshot shows the 'Conditions of Application And Applicant Declaration' section. It includes a heading 'Conditions of Application And Applicant Declaration' and a sub-heading 'You must agree to the Application Declaration below to continue with your application.' Below this heading, there is a checkbox that is checked and the text: 'I agree to the displayed Applicant Declaration'. Below the checkbox, there are three buttons: 'View all my applications', 'Cancel', and 'Submit Application'.

10. Once you have submitted the application you will receive the following message and a confirmation email.

Your application has been submitted.

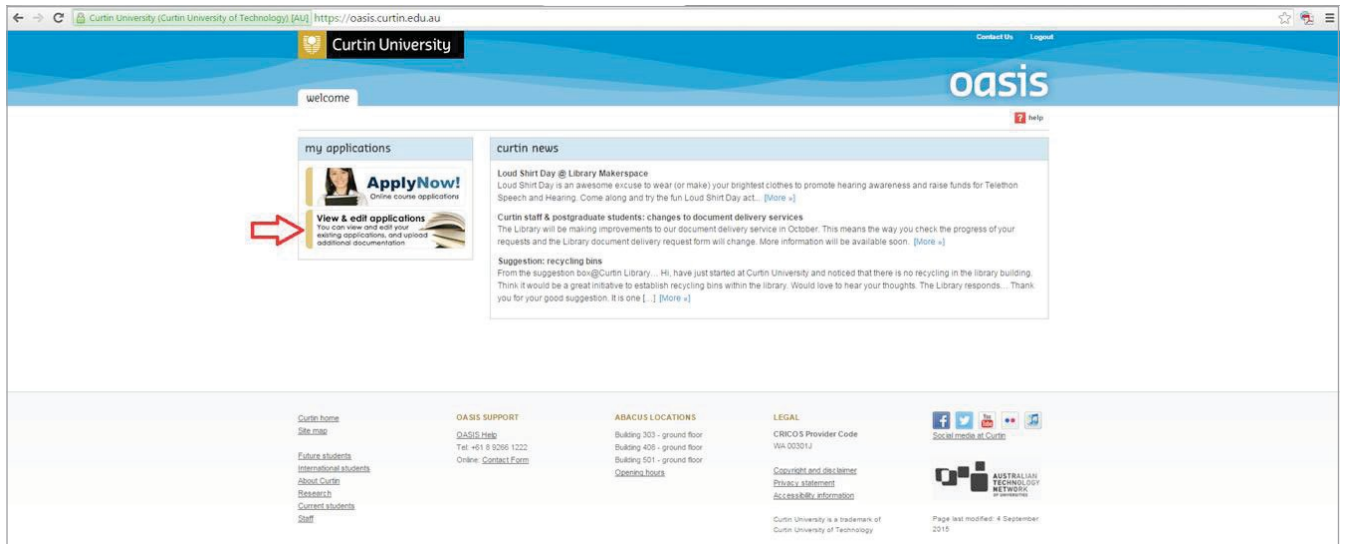

## Activating your OASIS Account

OASIS is the Curtin student portal to access course content, important emails and news.

Your registration confirmation email contains your designated Curtin Student ID and instructions to activate your account. Please allow 30-60 minutes from the point of registering to account activation.

## Students who started their application and need to complete and submit it

1. Log into OASIS <https://oasis.curtin.edu.au/>
2. Click 'View & edit applications' button

3. Click the 'View' button to go back into your application, upload and answer any outstanding questions. If you have already submitted your application but want to add further documents to the application, use the 'Upload Supporting Documentation' button.

4. Once your application has been lodged as submitted, you will receive a confirmation email. Curtin staff will then assess it and contact you with the outcome of the application.

If you have any trouble completing your application, please contact [eapplications@curtin.edu.au](mailto:eapplications@curtin.edu.au) for further assistance.
